AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Responsive to the first Office action dated August 3, 2000,
a one month extension of time for response being requested from
November 3, 2000 to December 3, 2000, please amend the above-
identified patent application as follows.

In the Claims:

1 *Subc'*

--1. (amended) A digital radio telephone comprising:

2

a radio portion for receiving a radio signal modulated by an
encoded digital signal including control information, for
demodulating and outputting said encoded digital signal;

3

6

a control signal processing portion for decoding said
demodulated encoded digital signal to obtain said control

7
